

APPLICATION SUPPORTED BY BLOCKED AMOUNT (ASBA)

Simple, Safe, Smart way of Applying for Public issues.

“Application Supported By Blocked Amount” [ASBA] Facility – made operational in our Bank with effect from 1st September 2010.

ASBA is a better way of applying to Public / Rights issues by blocking the Application money in the Bank account of the investor.

How ASBA works:

- ✓ All Bidders in an issue may apply through the ASBA process. An ASBA bidder maintaining a CASA account with any of our Branches shall submit an ASBA physically to any of our Designated branches. The Designated Branches shall then block the application money in the bank account specified in the ASBA /application on the basis of an authorization given by the account holder.
- ✓ The application money shall remain blocked in the bank account till finalization of allotment or till withdrawal/failure of the offer or till withdrawal / rejection of the application, as the case may be. The application data shall thereafter be uploaded in the electronic bidding system through a web enabled interface provided by the stock exchanges.
- ✓ Once the basis of allotment is finalized, the Registrar to the offer shall send an appropriate request to the Controlling Bank for unblocking the relevant bank accounts and for transferring the requisite amount to the Public Offer account. In case of withdrawal/failure of the Offer, the amount shall be unblocked on receipt of information from the Book Running Lead Manager (BRLM) through the concerned Registrar to the Offer.

Obtaining of forms:

- ✓ ASBA form can be downloaded from NSE Website at www.nseindiaipo.com/issueforms/html/index.html or printed application forms will be made available through the Designated branches.

Our Bank is notified by SEBI to act as a SELF CERTIFIED SYNDICATE BANK (SCSB)

- ✓ The name of our Bank to act as an SCSB in ASBA process is provided on the SEBI website at www.sebi.gov.in/pmd/scsb.html

Applying through ASBA facility has the following advantages:

- (i) The investor need not pay the application money by cheque rather the Investor submits ASBA containing an authorization to block the bank account to the extent of the application money.
- (ii) The investor does not have to bother about refunds, as in ASBA process only money to the extent required for allotment of securities, is taken from the bank account only when the application is selected for allotment .
- (iii) The investor continues to earn interest on the application money as the same remains in the bank account, which is not the case in other modes of Payment.

- (iv) The application form is simpler compared to regular IPO form.
- (v) The investor deals with the known bank.

Submission of ASBA forms:

- ✓ The intending ASBA investors holding Savings Bank or Current Account in any of our branches only can submit ASBA application.
- ✓ Presently the investors are required to submit physical ASBA forms duly filled up to any of our Designated branches mentioned below.
- ✓ In case of a Rights Issue, the investor has to apply by selecting ASBA option in Part A of the Composite Application Form.
- ✓ An investor cannot apply both through ASBA and also through existing system of payment through cheque, as the applications having the same PAN, will be treated as multiple applications and hence liable to be rejected.
- ✓ ASBA forms will be treated similar to the non-ASBA forms while finalizing the basis of allotment.

The following are the requirements for applying through the ASBA process by Account holders:

- Account holder/ Investor should be eligible to apply for an issue as per SEBI guidelines.
- Should have a Savings or Current account with any of our branches.
- Should have a Demat account with a Depository Participant
- Should have a Permanent Account Number (PAN)
- Availability of sufficient balance in the account for creating a hold in the account to the extent of application money required/mentioned in the ASBA application.
- The Account holder has to ensure updation of Bank account details appearing on the records of the Depository Participant. Failure to do so could result in delays in dispatch / credit of refunds.

The following options are available to the ASBA investor:

- A maximum of 5 applications can be submitted from a single account per issue.
- ASBA Application can be submitted at any of our 152 designated branches at present as mentioned below.
- Option available to the investor to revise the bid/cancel the bid within the bidding period. Amount will be released only after clearance from the Registrar
